TENT RENTALS

We do not supply tent rentals here at the Inlet Sports Lodge. However, a tent may be considered for courtyard rentals if rain or pending weather is a concern. The courtyard area is 29 ft. by 26ft (excluding the bar area and space under awning). Your caterer may be able to recommend a company for tent rentals, or you may refer to our list of preferred vendors that we recommend. Whoever you choose for your tent rental can check the size, however we recommend a 25x25 size tent. Tents may not be set up until the day of your event and must be broken down no later than 10am the following day.

BANDS, DJ'S & NOISE ORDINANCE

You may have a band or DJ, the only requirement we ask is that last dance occur no later than 9:55pm as a courtesy of our other guests and neighbors. The DJs and bands may set up under the awning in the left hand corner closest to the lobby. We have two televisions outside which you may also use for playing music channels such as jazz, soft rock and oldies.

MEETING ROOM PRESENTATION CAPABILITIES

Our TV in the clubroom is a 54 in. and has always worked well to accommodate presentations. There is no area on the wall for projection. We recommend to bring your own cords, but we may have some cables extension cords available to rent for a small fee if necessary, although they are not always guaranteed without advanced notice.
